

## **SEALS 2025 Notes**

1. Submission of the application form does not constitute an obligation to accept the award. The applicant will be notified by email regarding whether they have or have not been selected for an award, and if selected the nature of that award. Applicants who fail to respond to this email within 7 days will forfeit their award.
2. While the scholarship covers the full cost of tuition for the SEALS summer language program, fees, materials, and other costs associated with participation in the program are not covered by the scholarship.
3. The funds allocated towards the SEALS summer language program tuition will be applied directly to tuition.
4. Students who drop out of the program will forfeit any awards and will be responsible for any fees they have incurred.
5. If an applicant is awarded funding from another source (e.g., FLAS, etc.) and is also awarded a SEALS tuition scholarship, the SEALS scholarship will cover any difference remaining in tuition after the other scholarship funds have been applied.
6. It is possible for an applicant to be awarded a partial scholarship or award.
7. All awards are contingent upon approval of funding.
8. Upon completion of the program, awardees will be asked to submit a brief statement regarding how the scholarship contributed to helping them achieve their academic/professional goals.
